

Global Experience Opportunities in Malaysia at SEGi University

Under the MoU between AIUB and SEGi University, Malaysia, students of AIUB are invited to apply for international mobility and global experience programs at SEGi University, Malaysia.

AIUB Students interested in gaining international exposure, experiencing Malaysian culture, developing global perspectives, and engaging in academic and experiential learning activities are encouraged to explore the upcoming Global Experiences in Malaysia offered by SEGi University.

Interested students are requested to:

- Visit the official SEGi University Inbound Student Mobility Programs page: <https://university.segi.edu.my/inbound-student-mobility-programmes/>
- Review programs and their details available for international student mobility and global experience.
- Apply directly through the application link provided on the SEGi University webpage.
- Please select/apply for Group 3 when submitting your application.

This is an excellent opportunity for AIUB students to gain valuable international experience and broaden their academic and cultural horizons.

Interested students are encouraged to apply before end of September.
